Applicant's representative held an interview with Examiner Kobert on May 11, 2005. Applicant's representative would like to thank Examiner Kobert for his time and attention to this matter.

The objection to the drawings for allegedly not showing all the positively recited features of claim 46 was discussed.

Additionally, the objection against claim 46 for the specification allegedly not disclosing the positively recited features of claim 46 was discussed.

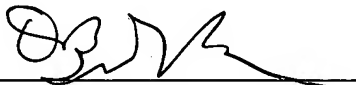

EV549568657

Agreement was reached. The Examiner agreed that both objections were should be withdrawn and requested that Applicant's representative make a statement to that effect in the accompanying response, in addition to presenting the exemplary embodiment discussed during the interview that clearly supports claim 46. Applicant's representative has done so in the response filed herewith.

Applicant's representative is greatly appreciative of the efforts and time put in to this matter by Examiner Kobert.

Respectfully submitted,

Dated: 5-16-05
